PLATINUM JUBILEE

AFTERNOON TEA

On February 2nd 1952, Queen Elizabeth II acceded to the throne of the United Kingdom, beginning what has now become the longest reign in the history of the British monarchy. Spanning over seven decades, the Platinum Jubilee celebrates the life and reign of Her Majesty The Queen, with a wide series of celebrations that reminisce on the past seventy years of The Queen's dedication and service to the United Kingdom and the Commonwealth.

As part of these celebrations, Hotel Café Royal introduces a bespoke afternoon tea experience that pays homage to Her Majesty The Queen. Cleverly curated, the afternoon tea draws from a broad range of inspirations directly related to Queen Elizabeth II, from sandwiches inspired by the royal residences to sweet delicacies that replicate the Queen's favourite fashion accessories. With considered savoury options with regal titles and sweet delights that have a touch of Her Majesty's famously wry wit and sense of humour, the Platinum Jubilee Afternoon Tea experience is an extension of the wider celebrations taking place around the United Kingdom.

Hotel Café Royal makes effort to comply with dietary requirements of our guests. If you have a food allergy or special requirement please inform a member of the team prior to placing your order. A discretionary service charge of 15% will be added to your bill. All prices are inclusive of VAT at the current rate.

PLATINUM JUBILEE

AFTERNOON TEA

Her Majesty The Queen's reign has spanned for 70 years, the longest reign in the history of the British monarchy. Famously known for her love of pastels, corgis, and hats, Queen Elizabeth II has become a global icon in her own right for much more than her status as a head of state. Witty, intelligent, and always stylish, Her Majesty has dedicated her life to public and volunteer service, with links to over 600 charities, professional bodies, and public service organisations.

As part of this commemorative afternoon tea, Hotel Café Royal looks to a significant element of The Queen's reign – the Crown Jewels, and more specifically, St. Edward's Crown. Only used at the moment of crowning itself, the crown is an icon in itself, inlaid with precious and semi-precious stones.

This particular version of the crown has been adopted by Her Majesty The Queen in her official monogram, as well as becoming the sovereign symbol for the monarchy, seen across the badges and logos for individual bodies from the British Army to Royal Mail.
