WEDDINGS

Your Wedding

As the one luxury destination that marries classic and contemporary, Soho and Mayfair, it has been our privilege to arrange wedding celebrations in the heart of London, for over 150 years. From the simple to the stately, intimate to extravagant, we know that no two weddings are alike, any more than the two people joining their lives. That's why our dedicated team is devoted to making every detail effortless, from tailored beauty treatments in preparation, meeting suppliers at the hotel in the run up to the big day or to an indulgent suite to relax and celebrate in afterwards. Nothing inspires us more than facilitating this happiest of occasions.

More than just a venue, at Hotel Café Royal no detail is overlooked and in the months before your wedding we will help to arrange everything from a menu-tasting with our expert kitchen team, to flower choices and table set-ups. In fact our team can you put you in touch with the very best florists, the perfect dress designer, transport, entertainment, hair and make-up, stationery, photographers, live music and of course the registrars. Most importantly we will help you create an unforgettable event.

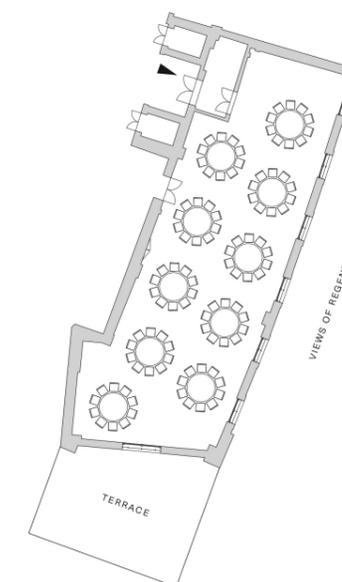

Pompadour Ballroom

The Pompadour Ballroom is the largest event space at Hotel Café Royal. The Grade II listed room and its original, ornate detailing have been sensitively restored to create a grand space for celebrations. The Louis XVI style room has a series of fluted Corinthian pilasters and mirrored panels with gilded frames, and its ceiling is decorated with frescos depicting scenes of love.

The Pompadour Ballroom is an opulent space and combined with our team's careful and intuitive service, will make any wedding memorable. The grand ballroom can also be personalised to leave a tailor-made impression on your guests.

At the far end of the room, large double doors open on to a pillared outdoor terrace with views on to Air Street and the panoramic sweep of Regent Street. It makes for a spectacular London wedding.
