## *Festive Dining*

Our legendary Regent Street address has long been the capital's hub for fine food, wine and conversation. Oscar Wilde chose the Café Royal – and its unmatched wine selection – for his salon, while Winston Churchill favoured our steaks, Stilton and champagne.

The tradition of serving dishes of the highest quality and creating memories to cherish carries on today. Our festive afternoon tea in collaboration with diptyque is served in the stunning Grade II listed Oscar Wilde Lounge whilst a live pianist tinkles your favourite tunes on the piano and modern and sophisticated festive fayre awaits diners at our grill and sushi bar, Laurent at Café Royal.
